## Success Measures for AY16-17

### **By Fall 2016**

1. Development and delivery of a consistent and positive message to internal and external audiences about the value and benefits of clusters.
2. Development of an inventory of what we are currently doing that is cluster-like to serve as models (this also creates benchmarks – “X”)

### **By January 2017**

3. Development of a leadership plan for continued cluster development and maintenance beyond AY 2017
4. Identify early-adopter cluster projects and open labs to serve as additional models
5. Develop a communication strategy to facilitate sharing of Cluster activity and opportunity

### **By May 2017**

6. Organize Cluster-theme sessions during Showcase in April

### **By Fall 2017**

7. Implementation of a cluster-like First year Seminar
8. Increased participation of FACULTY in cluster experience development and development of new and innovative opportunities (curriculum, projects, teaching, open labs, etc.) above X\*.
9. Increased participation of STUDENTS (Grads and UGs) to engage and explore clusters above X\*.
10. Organize a faculty symposium during Faculty week to share the first year of Cluster activity (required for funded Cluster projects)

\*X = benchmark as defined by #2 above
