

Integrated Cluster Project Proposal Budget Form

Note: Any IC Projects not requiring specific Integrated Cluster funding do not need to complete this form.

The intent of this form is to identify and quantify incremental expenses requiring funding from the PSU Integrated Cluster initiative. This form is intended to be used as a budget estimating tool and is a required input to the Integrated Cluster Project Funding Process. When IC funding is being requested, the Project Proposal Budget Form must be accompanied by both the IC Project Proposal Form and IC Project Planning Guidelines Form for a complete submission package.
