Dear Colleagues:

The Curriculum Committee invites you to **join the next Campus Forum on Tuesday, April 18th** from 2:00 to 4:00 pm in Heritage Commons. We will talk with you about potential cluster curricular experiences, ask for your input on what you would like to see in the curriculum, and prioritize the committee's next steps. The agenda is attached along with the worksheet we will use to guide our discussion.

Refreshments will be provided. We hope to see all faculty and staff at the forum. If you are unable to attend, please review the attachments and send your ideas to the committee chair at hkswank@plymouth.edu.

Sincerely,

The Curriculum Committee
