

Plymouth State University
Nursing Department
NR 3052
Community Health Advocacy Project (CHAP)

WHO: Nursing students and one faculty liaison member in service to the PSU community with the cooperation of the Center for Active Living and Healthy Communities

WHAT: Students, under faculty supervision will conduct Biometric Screenings in the community. Biometric Screening includes height, weight, blood glucose, cholesterol, body mass index and blood pressure.

WHERE: Early morning session will be at AllWell Center and late morning session will be at the PSU HUB.

WHEN: Each clinical group will participate on one Friday this spring (see schedule attached). The screening sessions will take place in one location from 6 a.m. -9:00 a.m. and in another location from 10:00 a.m. -1:00 p.m. This will be followed by a post-conference with the faculty liaison for the day and additionally students will complete a journal entry on the experience. ***This is a required clinical experience.***

HOW: How will you learn to conduct the screenings? A one-hour training session will take place on the Thursday prior to your schedule date from 1-2:00 p.m. in the lab. In this session we will go over expectations for the day including set up, breakdown, use of the equipment, and documentation.
