Hello: First, let me start by saying thank you to all of you who joined us at our meeting a couple of weeks ago. Our steering committee, along with Professor Denise Hutchin's Event Marketing Class students, took your feedback and have created several names for the festival for you to consider. We would appreciate it if you could send us your feedback on the names by the end of the week.

1. Live Free Arts Fest
2. South of the Notch Arts Fest "SoNo"
3. Lakes to Ledges Arts Fest
4. Granite Arts Fest

We have also decided on the following:

Dates for 2019 Arts Fest will be June 19th through September 2nd

The area the fest will cover for 2019 will not include Whitefield, New London or Wolfeboro. However, at some point in the future these locations could be added. (Please see attached map.)

We would love to have any other suggestions or comments about our project you may have thought of over the last couple of weeks. Please share by emailing me at this address.

Thank you for taking the time to participate!

Karen
